March 25, 2021

Dear WLB Families,

As you are aware, the West Long Branch School District offers a full in-person abbreviated schedule program, which runs Monday through Friday of each week as follows:

- Betty McElmon Elementary School: 8:35 am - 12:48 pm (Pre-K times will differ)
- Frank Antonides School: 7:45 am - 12:10 pm.

Families have the option of selecting in-person learning or remote learning for their child/children for the **FOURTH MARKING PERIOD, which will run from Friday, April 9, 2021 – Friday, June 18, 2021.** In order for each school to prepare for implementation and equip our physical and digital spaces appropriately, it is very important for us to have an accurate count of the students who will be learning in-person and remotely for the marking period.

- 1. If you would like to choose remote learning for MP4 (even if already remote-learning):**
Please complete the form below labeled “Opt-Out” and return it to your building principal via email by *Friday, April 2nd*. You may also simply email your choice to your building principal, along with your child/children’s name(s) and grade level(s).
- 2. If you would like to transfer from remote learning to in-person learning for MP4:**
Please complete the form labeled “Transfer to In-Person” and return it to the building Principal via email by *Friday, April 2nd*. You may also simply email your choice to your building principal, along with your child/children’s name(s) and grade level(s).
- 3. If you are already enrolled in in-person learning now, and would like to remain in-person for MP4:**
There is nothing you need to do if your child/children are already learning in-person, and you intend on keeping them as part of the in-person program.

If you have any questions, please contact your building Principal. Thank you!

Sincerely,

Christina Egan
Superintendent of Schools
