

WEST LONG BRANCH PUBLIC SCHOOLS

Administrative Offices

December 22, 2020

Dear Parents/Guardians:

Please be advised that it is required that if any member of your family tests positive for COVID-19 during a vacation or weekend and/or is quarantined due to being in close contact with an individual who tested positive, it is your obligation to notify the school principal immediately of the health status of your child/children via email at jerhardt@wlbschools.com or awinter@wlbschools.com. Please know when returning to school after testing positive for COVID-19, it is recommended that your child/children be tested.

Remember, even if your child/children are asymptomatic, please continue to be on the lookout for the signs and symptoms of COVID-19 in your child/children. Symptoms again can include but are not limited to fever, cough, shortness of breath, sore throat, headache, diarrhea, vomiting and abdominal pain.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions, please feel free to contact your principal via the above emails. Below are some resources that might be helpful.
