Dear Parent/Guardian:

Pursuant to N.J.S.A. 18A:7C-6.6, the West Long Branch School District is required to provide parents/guardians certain information on any State assessment or commercially-developed standardized assessment that will be administered during the school year. The attached table outlines the State or commercially-developed standardized assessments administered at Betty McElmon Elementary School during the 2018-2019 school year. The table also provides the following information:

- The subject area of the assessment
- The grade levels covered by the assessment;
- The date or range of potential dates for the administration of the assessment;
- The time allotted for the student to take and complete the assessment;
- Any accommodations or accessibility options available to students;
- Information on how and when the student and his/her parent or guardian can access both sample questions and answers to the assessment and the student's results; and
- Whether the assessment is required by the State or federal government, or both.

If you have any questions, please feel free to contact me at (732) 222-5900, Extension 1251. Thank you very much for your continuing support of Betty McElmon Elementary School.

Sincerely Yours,

James J. Erhardt
