Dear Parents/Guardians:

Pursuant to N.J.S.A. 18A:7C-6.6, the West Long Branch School District will provide parents and guardians certain information on any State assessment or commercially-developed standardized assessment that will be administered during the school year. In a separate link labeled "Assessment Chart 2021-2022", you will find the State and commercially-developed standardized assessments administered at the Frank Antonides School for the 2021-2022 school year. This table also provides:

- The content area of the assessment and grade levels covered by the assessment;
- The date or range of potential dates for the administration of the assessment;
- The time allotted for the student to take and complete the assessment;
- Any accommodations or accessibility options available to students;
- Information on how and when the student and his/her parent or guardian can access both sample questions and answers to the assessment and the student's results; and
- Whether the assessment is required by the State or federal government, or both.

If you have any questions, please feel free to contact me at (732) 222-5900, extension 1151. Thank you for your continued support of the Frank Antonides School.

Sincerely yours,

Mrs. Allyson Winter
