Re: Annual Notice of Asbestos Management

To: West Long Branch School Community:

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations, the West Long Branch School District conducts semi-annual inspections of all asbestos containing building materials and maintains a management plan for the school facility.

Under AHERA, school buildings must be re-inspected by a certified agency every three years and their findings incorporated into the management plan. The re-inspection was completed in June 2021.

If you are interested in viewing the management plan, or have any questions regarding it, please feel free to contact the Frank Antonides School main office at (732) 222-5900, extension 1151.

Sincerely,

Mrs. Allyson Winter

Allyson Winter
Frank Antonides School Principal
