Thesis statement: _____

There are 27 chapters in *Wolf Hollow*. Choose **one quote** per **every two chapters** that relates to one of the thematic concepts of identity, kindness, staying true to one's beliefs, overcoming obstacles, or the impact of not telling the truth.

Direct Text Evidence and Page Number	Connect how the evidence relates to one of the thematic concepts or the prompt.
Example: Chapters 1 and 2 "I wasn't happy about the situation, but I was glad Betty had chosen to devil me instead of Ruth, who was smaller than I was and dainty. And I had brothers who had inflicted far worse upon me, while Ruth had none." p. 6 and 7	The new girl (Betty) is seated right behind Annabelle and Ruth in school. Within days she begins to bully Annabelle physically and emotionally. Annabelle is glad to take the abuse so long as it protects her friend, Ruth, who is shy and timid. This gives us some insight to Annabelle's kindness and her willingness to protect those she cares about.
