Dear Parent/Guardian,

As you may be aware, New Jersey has issued a list of states in our country that are on the travel advisory list due to high cases of COVID-19. Similarly, the Center for Disease Control has recommended avoiding travel to countries categorized as Level-3 high COVID-19 risk. **Therefore, any student that has visited one of these countries or states will have a 14-day mandatory quarantine prior to returning to school.** During the quarantine period, students are able to participate in virtual learning and will be marked as present in school.

Please visit the New Jersey COVID-19 information hub highlighted below to save lives and prevent the spread of COVID-19 as it relates to travel.

We appreciate your attention to this important matter as the safety and security of our school community is paramount. If you have any questions, please feel free to contact me directly at (732) 222-5900, extension 1151.

Sincerely yours,

Allyson Winter
