DR. FRANK ALFANO
Interim Superintendent of Schools

MRS. ALLYSON WINTER
Principal

October 1, 2020

Dear Parents/Guardians:

To ensure that we address the learning needs of all of our students, ELA and mathematics teachers in grades 5-8 will administer three Study Island benchmarks over the course of the school year to help guide their instruction. The first one was administered in early September. When viewing this information on parent portal, please keep the following in mind:

- Benchmarks are diagnostic in nature and not meant to be viewed as a grade.
- The percentage noted is representative of how much content your child has mastered in their current grade level. It is important to keep in mind that proficiency is not expected for the initial benchmark, as most, if not all of the concepts have yet to be taught and will be addressed as the school year progresses.
- Teachers are utilizing the information gathered from the benchmark to guide their lessons and shape their afternoon virtual instruction.

If you have any questions, please feel free to contact me at (732) 222-5900, extension 1151. Thank you for your continued support of the Frank Antonides School.

Sincerely yours,

Mrs. Allyson Winter
