Dear Parent/Guardian,

As you are aware, teachers are providing instruction to both in person and remote learners on a daily basis. Although this is challenging, our teachers have done an amazing job engaging all students in meaningful learning.

Moving forward, substitute teachers will not be streaming live to virtual learners. Instead, teachers will post detailed assignments to their website and/or Google Classroom. Both in person and remote learners will be completing these assignments to ensure synchronous instruction.

The reason for this decision involves confidentiality issues with staff Gmail accounts. Additionally, not all substitute teachers are familiar with streaming to remote learners, especially if they are working in our district for the first time. In the event of an extended teacher absence, a substitute teacher will stream to remote learners.

We appreciate your understanding during these unprecedented and challenging times. If you have any questions, please feel free to contact me directly at (732) 222-5900, extension 1151.

Sincerely yours,

Mrs. Allyson Winter
