Dear Parents/Guardians:

In an effort to ensure the health and safety of our students, we have determined that the Frank Antonides School will not participate in a Winter sports season. This was a very difficult decision to make, however a necessary one, based on the very high number of individuals who tested positive for COVID in our own community, as well as the surrounding communities.

Moving forward, we are hoping to be able to participate in a Spring sports season and will provide more information regarding this as the season approaches.

As always, we appreciate our community's support and cooperation. Should you have any questions about this situation, please feel free to contact either Mrs. Winter or me at the numbers and email below.

Sincerely,

Frank Alfano
