

 **SHOW YOUR LOVE!** 

PDA's are personalized pages in the yearbook dedicated to your eighth grade student, highlighting their achievements and congratulating him or her on the success of graduation with photos and meaningful messages from family members. They are also great fundraisers to help with the cost of the yearbooks, as all 8th graders receive a free copy.

PDA's can be purchased in increments of full, half, or quarter pages and are full color. These can be submitted electronically, by emailing the message and photos to James Straley, at [yearbook@wlbschools.com](mailto:yearbook@wlbschools.com). (.jpg format, as high quality as possible). Submit a check or cash in an envelope with the order form completed to Mrs. Beyers. **All checks must be made out to WLB STUDENT ACTIVITIES FUND.** To post more than one PDA, please complete a separate order form for each message. Please note: Write a message exactly as you would like it to be printed in the yearbook. Space is extremely limited. Orders are taken on a first-come, first-serve basis.
